# What are your most important deliverables in 2016? (con't)

- Information on holistic projects, offering a range of options/categories where funders of all sizes can potentially collaborate on a project to meet large, overlapping goals.
- Supporting the payment reform pilot, scaling tools to increase patient engagement, focusing investments around the remaining uninsured.
- Building strategic plans for communicating learnings externally.

# What are your most important deliverables in 2016? (con't)

- Approved 10-year public behavioral health workforce development plan for San Francisco.
- Attempt to integrate systems, improve service delivery, leverage funds to sustain existing programs.
- Fundraising, leveraging impactful community change
- This is the first year of funding for several new initiatives. Will be focused on learning about the issue areas and how to best support grantee work.

# Anything else?

## ➤ Additional feedback:

- Identify the BAHFG's focus/purpose
- What "big bets" can we place as a group to make change happen in the Bay Area?
- More frequent events (monthly or bimonthly) to sustain momentum and get to know our peers better
- Breakfast or lunch at all meetings
- Later start times (10:30 am or later) Perhaps a lunch meeting
