RE: Assembly Bill 1250 (Jones-Sawyer). Counties: Contracts for personal services. As amended on June 21, 2017; OPPOSE

Dear Senator Lara,

As leaders of the nonprofit community in California, we write to express our opposition to AB 1250. Nonprofits across the state are alarmed at the provisions in AB 1250. There is widespread concern that the bill will reduce services to vulnerable members of communities while adversely impacting the nonprofits providing those services through contracts with counties. We have combed through the bill to look for ways to amend it so that it is workable across the spectrum of different nonprofit services and counties, but frankly so many of the provisions are confusing, vague and unfeasible that it has proven impossible to craft amendments that will solve the problems with the bill. We have met several times with the bill’s proponents to share these concerns in detail and to request that the nonprofit sector be exempted. That request has been rejected.
