What was our approach to this work?
Who are the key funders and partners?
In 2017, the SNDF committed $3.3 million to 38 state-based partners in 25 states.
SNDF: Reflections

- Successes
- Missed Opportunities
- Lessons Learned
“There's two things you have to do to get this debt under control. Cut spending, most importantly reform entitlement programs, and grow the economy. You cannot get the national debt under control, you cannot get that deficit under control if you don't do both. Grow the economy, cut spending. This grows the economy. We've got a lot of work to do in cutting spending.”
- Speaker Paul Ryan, Dec. 2017
